

PARTNERSHIP OF THE  
**Manitoba Capital Region**

Teaming with Opportunity

October 16, 2017

Dear PMCR Partner,

We are very excited to present ***The Regional Times!***

This platform allows our communities and partners to showcase all of the good stories of growth, work and tradition that is happening in our region. The purpose of this publication is to build on the strong foundation of collaboration that currently is taking place, and to highlight what is possible when we share stories that inspire all Manitobans to take action in securing our future.

As mentioned prior, this publication has been designed to have a very large reach with 10,000 printed copies being placed throughout the Manitoba Capital Region point of purchase locations, as well as on our members digital and social channels. Please find a link to a digital copy which you may find here: <http://bit.ly/2yo4UQu>

Please feel free to use the link on your website and social channels to help maximize your exposure.

We are very excited about the stories that the publication will tell about our partners and our communities. The increased exposure of collaboration that is happening across our region speaks to the high-level of inspired leadership that truly expands beyond municipal boundaries.

Once again, we wanted to say thank you for your participation in ***The Regional Times*** as it is only made possible by partner and member support.

We look forward to continuing working with you in to 2018!

Sincerely,

Colleen Sklar
